2016 South Island Champs – Themes & Date

The SI champs will be held on the last weekend of the July school holidays 2015. The themes have been whittled down to a main theme of *Conflict in the Middle East*, and supporting themes of *WW1* and *WW2 in the Pacific*. This gives a broad range of subject matter, I'm sure most members will have an unbuilt kit on the shelf that will fit in somewhere!

2015 Southern Competition

The Central Otago Model Society is hosting the Southern IPMS Comp this year, Sunday the 16th of August.

The venue is the *Scout Hall* in Alex.

That gives you three and a bit months to get that model on your cutting mat finished, *Get stuck in, the weather's rubbish anyhow!!*

Workshops

Attendance to the workshops has been pretty poor this year; please make an effort to attend at some stage, even if it's to have a cuppa. We are looking to bring the photo studio to the occasional meetings, so we will keep you posted on that.

All day Sunday workshop

The committee is looking into having an all day open workshop, including demos so that the public and members from other clubs can see what we are up to.

Other future events
